

Lake Activities Committee Reports

Boat Parade: The Annual CLCA Boat Parade will be held on Saturday, July 4th at 3:00 pm. Out of an abundance of caution in the year of Covid, there will be some changes from years past: Boats will gather between Sand Point and Nick Stoner Island and proceed clockwise around the lake. No registration is required and no numbers will be distributed but judges will still be watching from the Franz's boathouse to determine this year's winner. Depending on the water-level, it may be too shallow for boats to enter West lake but we will make a determination at the time. The parade will end in front Franz's boathouse and the trophy will be passed to this year's winner. Sadly, no after-party will be scheduled this year. All boats are welcome, decorated or not. Let's have fun, stay safe and please, no political statements. Even if you are not in the parade, please hoot and holler and make some noise from your dock as the parade passes your camp. You can't have a successful parade without spectators!

Flare Lighting: Flare lighting will take place.

Ed Fake has agreed to continue chairing this committee.

Fireworks: The fireworks are scheduled for July 3rd.
