Echo (the Lake publication) – Mark and Christine Moritz - Chairs

“Hello Canada Lakers,

Hope all is well through this crazy time we are living in. Since a lot has happened the Echo is running late this year, you will get a digital copy link through your email prior to a printed copy. Do not worry a printed copy will be coming soon.

We have also had a delay due to a technical issue that caused a problem with emails, we have lost emails mostly containing pictures for the Echo, primarily (Echoes, Remembrances, Photo Contest). We are requesting that anyone who submitted to the Echo, please resubmit. Any articles, committee reports, echoes, remembrances, etc., we have (missing pictures). To be sure resend and feel free to update them, please indicate the update since they have probably been edited.

Due to the technical issue we will be giving a final deadline for Sunday morning, June 7th. This is an opportunity for any new echoes and remembrances.”

Legal – Dick Maider - Chair

There are no pending legal matters.

Nominating Committee – Lois Miller, Chair

This year, as in most years, we are looking to fill the Board of Directors for the CLCA. If you are willing to work on committees ranging from web updating to fishing, invasive species, etc. and help make important decisions for our organization you may want to consider becoming a CLCA Director. The CLCA meets three times per season and your attendance to these meetings is expected. If you would be willing to commit and would like to be considered as a CLCA Director please contact Lois Miller by June 15.

(518)-835-6703, (585)-217-3058, or lmiller2004@hotmail.com

A slate of Directors will be selected from those who state an interest. The slate of Directors will be presented and voted on at the Annual meeting, via Zoom.

In advance, thank you for your interest and dedication to our organization.

Web Committee – Allen Farber, Chair

The major focus this past winter was to enhance the content of the website. With the design expertise of Dick Loomis, we have created a digital version available on the website of Barbara McMartin's ***Caroga: An Adirondack Town Recalls Its Past***. Several other pages dedicated to the history of postcards related to the lake were created or supplemented.

This spring the emphasis shifted to sending out newsletters to the membership informing them of the situation related to the Covid virus outbreak. Since the majority of the CLCA events have been canceled this season, instead of the now traditional newsletters, we will be sending out emails as conditions warrant updating the situation.

Welcoming Committee – Lois Miller, Chair

Once I have the names of the new members I will determine if I can greet them while remaining socially distanced??? Otherwise we may have to wait until next year.
