### **Boat Parade:**

#### 2022 Boat Parade and Reception Report

The 10th annual CLCA Boat Parade was a success. 14 Boats gathered at Marty Newell and Nina McCormack's camp and proceeded around the lakes. The parade was led by Alan Peck, Brian Franz and Mike Armstrong in the Peck's Feathercraft. There were many creative themes this year: Margaritaville, Bills Mafia, The Greek Gods, The Mystery Machine, Golf Club, Baker's Breakers, CLCA AARP, Hard Candy and several Patriotic boats. The 2022 Boat Parade Trophy went to the Audrey Smith Families, with 2 CLCA AARP boats. The reception was well attended with over 100 participants. The judging was extremely difficult this year. Next year we will figure out how to vote via email or text. The location of the 2023 boat parade is to be determined.

**Water Sports Clinic:** We had a good turnout and beautiful weather. There were 17 participants of which 9 were adults and 8 were kids. The age range was from 4 to 64.

Ages 4 - 9 : 5

Ages 10 - 15 : 3

Ages 16 - 18 : 3

Ages 19 - 40 : 5

Age 64 : 1

Wake Surfing: 6

Wake Boarding: 0

Water Skiing: 12. (One person skied and surfed)

There were 5 boats available. That worked out very well so participants had less of a wait time to get on a boat and more instruction time. There were 2 boats with ski poles that are important to help the younger kids learn to get up on skis. There was 1 Moomba for the Wake Surfers. A special thank you to Ann Michalek who spent a lot of time in the water helping the first time skiers! Ward took kids tubing while they waited to get in a boat.

Thank you to Ward Halverson for hosting again this year!

The lifeguard this year was Lilliana Gressler who is interested in assisting us again next year. Her fee was 120.00. We have a copy of her certification on file.

Copies of signed waivers are on file.

Ward Halverson has agreed to take over the chair position for this committee for next year. Before the end of summer, he and I will meet to discuss the transition.

I am very grateful for the opportunity to be involved in the Water Sports Clinic all these years. It was such a joy!!

All the best,

Dee-Dee

**Ice Cream Extravaganza:** This year the ice cream extravaganza was one of the largest gatherings we ever had. Some where around 100 people attended the event which was hosted by Robert and Lydia Bates at 345 Kasson Drive.

Once again Stewart's donated the ice cream and fixing. Dixon along with his apprentice, Kenny Luttman, served ice cream sundaes, root beer floats, creamsicles, coke floats and chocolate sodas.

Thank you notes were sent to the Meco Stewart's Shop and the Stewart's corporate headquarters.

**Lake Luncheon:** Fifty-nine Members attended the CLCA Annual Lake Luncheon, at The Nick Stoner Inn Steak and Seafood Restaurant, on 7/20/22. We donated \$375.00 and several boxes/bags of dry goods, to the North Bush Methodist Church. Pastor Talbot and his wife were very grateful. The money will be used to purchase gift certificates for groceries and gasoline to give to their mem

I have notes on everything and we paid the Inn \$1,357.00 for 59 lunches at \$20 per person including 15% gratuity.

the breakdown:

\$1,180.00

177.00

Total ck. \$1, 357.00.

Since we charged \$22.00 per person, we collected more than enough to pay for the meals and most of the gratuity.

**Picnic:** We bought a house that came with a picnic! Tom & I had a blast hosting the 2022 CLCA annual picnic. I would say that there were 60 – 80 people in attendance perhaps. It was such great fun to spend time with 'old' friends and meet so many new friends that we never stopped to officially count heads. We served pulled pork, bbq chicken thighs and hot dogs, beans, sauerkraut, drinks and picnic goers brought a wonderful array of salads, desserts and noshables. Thanks to Merryn Byrnes for her expertise in food ordering, Mary Peck for dropping tables off, the Franz men for help with transporting beer, ice, supplies & tables before and after, Audrey Smith & Allison Dykeman for help with set-up & Clark Saunders for getting rid of the "evidence" afterward. Note to self...the sanitation team will not take black bags. There were many others who helped keep things on track during and cleaned up after too. Thank you to all who helped AND attended. Without picnic attendees, it's not a picnic 😊 And without the CLCA it would've been expensive for us! So thank you for keeping this in the budget to allow a nice social gathering in a very informal setting where all are welcome. The weather also cooperated so a shout out to Mother Nature!

We're happy to host again next year unless we're stealing someone else's thunder. And we now know better what to expect and how to involve the committee more. Sorry that we didn't have things moving sooner. We're not novices any longer so next year we can get the ball rolling earlier.

Total cost of the picnic was \$820.67 so we came in under budget!!
