

Some of you already know that Gloversville has a newly built and completely modernized Nathan Littaur Hospital, which is waiting to serve those who might have need of its facilities.

Our own Dick Parkhurst had done a magnificent job in sparkplugging the new hospital into being against some pretty formidable odds, with the result that — if you have to go at all — it is a first rate institution to attend. Incidentally, as one who has already enjoyed its services, I can truthfully say that in addition to its medical capabilities, the food is excellent!

There are still a few areas available for endowment at reasonable figures, complete with name plaques, et al, and Dick would be very glad to talk with any of our members interested in supporting this fine asset to the general Gloversville and Canada Lake area.

An Information Meeting for the public has been scheduled for 7:30 P.M. Thursday, July 10th, 1969 at the Wheelerville School; the subject to be discussed will be A Sewage Feasibility Study for the Town of Caroga.

Mrs. Anna B. Kukla, chairman of the Town Planning Board will be moderator.

All C.L.P.A. members are urged to attend.

CHURCH SERVICES — July and August

Masses at St. Barbara's Chapel, Caroga Lake, will be held at 8 A.M., 9:15 A.M., 10:30 A.M., and noon, by Rev. Father Joseph Reger and Assistant.

At North Bush Methodist Church, services will be held at 10:30 A.M. by Rev. Joseph Beatty.

At Caroga Lake Evangelical Chapel, Rev. Walter Whitney will conduct services at 11:00 A.M., starting the last Sunday in June.

Arden Zipp (phone is son Alan)	3086
103 S. Main St., Dolgeville 13329	

PRESIDENT'S COLUMN

Last year, Spring came to Canada Lake with a real roar. Lots of action, ice movement, wind and low water. This year, Spring just sort of sneaked in gradually. Good weather prevailed and the ice just gradually melted and disappeared. The water was pretty well up and remains so at this writing. All in all, the lake looks beautiful and is awaiting your arrival to make the picture complete.

We were all very sorry to learn of the recent passing of our good friend and director, Herb Steincamp. For years Herb has served our association on the board and as chairman of the Membership Committee, in which capacity both he and his good wife Helen have spent many many hours helping to bring the association to the state of strength which it now enjoys. His wisdom and counsel will be sorely missed. I am sure that all members join in offering Helen our sincerest sympathies in this time of great loss.

In view of the water problem at Caroga

Lake last summer, your directors last Labor Day undertook a precautionary check of the Canada Lake water. Done by Carl Ackerbauer of Ackerbauer Laboratories in Johnstown, results show that there is a degree of pollution in the lake water. The bacteria count in the large part of Canada and West Canada lakes is such that drinking the water would be unadvisable though not so high as to preclude swimming. One area, Sawdust Creek, did show a high count. Your directors have met with the town board regarding corrective measures inasmuch as the pollution is probably coming from trailers parked along the creek at Pine Lake. We expect that the town board will see to having this condition investigated and corrected by State personnel this summer.

Your directors have undertaken a program of self-help and correction including a series of checks through the summer by Ackerbauer, and checks by our own membership on the efficacy of our own water treatment systems, individually, using the same dye test which is used by the state people. The cooperation of all lake residents is urgently sought in implementing our self-testing program so that we may have the pure water originally provided by nature returned to the lake for the use and benefit of all.

All members are urged to be sure to attend the Annual Meeting at the school on July 12 where this matter will be taken up in greater detail. Meanwhile, kindly give the above your serious thought, and keep the whole thing within our membership family until the July 12 meeting. No need for panic thinking or action.

Note that the boat parade has been scheduled for a week earlier this year, with a rain date on the last weekend. As many members are busy with closing up on Labor Day Weekend, the thinking is that many more boats might participate on the 24th than would be available on the 31st. Let us try this change this year, subject to revision in the future if revision seems indicated.

Arden Zipp says he has definitely scheduled our fireworks display for the evening of July 3rd, and we will look for no last minute announcement of change. Incidentally, like everything else, the cost of fireworks has increased greatly in recent years. It seems that in 1969 we are still operating on the same yearly dues figure that we used in 1949 and before. The costs for fireworks (one of our best yearly events), a much-needed anti-pollution program, and other yearly needs seem to indicate the advisability of a modest adjustment in our dues figure. Considering what we spend on our own

summer's fun and entertainment, such an adjustment would not be killing for anyone and would enable your board of directors to provide better service to the benefit of all.

Al White is chairman of our Membership Committee this year. His phone number at the lake is published in the list of Directors here in the Echo. He will appreciate your help in bringing in new members both from among new residents and from among older residents who for some reason have not joined in previous years. Kindly call Al with names of new residents in camps near your own. The Membership job is a big one and needs all the assistance available.

Finally, in addition to enjoying our beautiful lake this summer, let's all get 100% behind our association, its board and its program this year and every year, for in unity there is strength, action and a better summer for us all. Be seeing you soon.

Sincerely,
Monty Mason

SAILING - SAILING

The 1969 sailing season will get off at the gun with a party and meeting at the Dunstan's camp on July 4, at 4 o'clock p.m. All skippers, their mates, regular crew members and regular starters are invited. This get-together will let us plan the 1969 race season, get acquainted with new sailors, and meet old friends. Members of the "new-class committee" who attended the boat show in New York will have a report to make.

At the Race Committee meeting last fall, the need for more starters was discussed. We would like to enlarge this committee to include about ten non-sailors, operating under Race Committee member Bill Bates. Fred Saunders has been a faithful chairman of starters for years, but due to a change in his working conditions, his presence at race time is not always assured. Our starters now are: Fred Saunders, chairman; Paul Kukla, John Kasson, Jim Long, Roy Loomis. Al Lunden will operate one committee boat and we need one more. Anyone who would be interested in acting as a starter is asked to get in touch with any member of the Race Committee.

Don't forget our dues!! - one dollar per boat per year - payable at the opening meeting. Only skippers in good standing will be considered for awards.

A final meeting and party will be held at Jack Ryan's dock on Sunday, August 31, at 4:00 p.m.

It looks like a good season coming up, so get your sailboats in the water and tuned for the FIRST race, July 5, 1969.

1969 Sailboat Race Winners

Trophy	Open class	Sunfish
CLPA First place	White	Mason
CLPA Second place	Mahoney Akers, Midge	MacDougal
CLPA Third place	Dunstan	Akers, Mike
Canada Lake Store	White	
Kasson Sunfish		Akers, Mike
Bogart Memorial	White	Mason
West Lake	Theisen	Akers, Mike

Race committee:

Bill Dunstan, Ch.
Bill Bates
Jack Ryan

SAILBOAT RACE SCHEDULE

July 5	Canada Lake Store Trophy
12	C.L.P.A. Trophies
19	C.L.P.A. Trophies
26	Open
Aug. 2	C.L.P.A. Trophies
9	Bogart Memorial, (team)
16	C.L.P.A. Trophies
23	C.L.P.A. Trophies
30	West Lake

Enclosed is a detailed description of the 420 Intermediate Class Sailboat which has been recommended by the New Class Committee as a possibility for one design fleet on Canada Lake.

THE TALK OF THE HOUSE by Edgar Moore

Fall. Lookin' around the lake makes one think of a big city goin' to sleep don't it? Lights has been goin' off till now there ain't hardly a camp with a light showin' and nary a sound. The laughin' kids, their moms and dads all gone to winter quarters just like them geese we see flyin' over today. I tell you young feller, them geese and their ancestors, just like a lot of these houses, they seen a lot of changes in this lake too. Want to hear about them? Well sir, you just stop paddlin' for a minute and let this canoe drift while I tell you some of the things I've heard from the talk of the house. Sure houses talk. You just take a cold winter night — say 'bout 20 below and the moon a shinin' down on that white snow and there ain't a sound. Seems like you can hear your own shadow move. Then, that's when they start — sure, some calls it frost pullin' out the nails. Mebbe, but you listen.

Right over there on Green Lake was probably the first two cottages around here. One was built by them Johnstown Exempt Firemen. To mention a few there was Colby Moore, Pinky Sponenburgs dad, and Ralph Skakels dad. You should hear them rafters ring in there when it's about 30 below out. They sure warm the air, yes sir. But to get on. The old Exempt firemen's cottage, that's where Ralph Skakel is now, then Gardner Lytell he built and Gus Noelk, he has that place. Long in there 'bout that time Cyrus Dury, he built the saw mill and two houses. One where the Paul Kuklas live and the other is Mrs. Tony Wolf's. 'Course the saw mill is gone now, been gone over 30 years. Them houses, Kukla's and Wolf's — they get to braggin' once in a while to them others because they was built for a man that got to be Congressman to the United States, and then was connected with the collector of internal revenue. Course that house has a right to feel that way — Cy Durey, he done a lot for this place and the people in it.

Accordin' to the talk the next place to be built was over in Punky Cove, that's between the old Fulton House and Sand Point. Feller built that was a minister by the name of McKinsey and it was used as a parsonage.

Feel that old east wind blowin' comin' right down off Camel Hump Mt. tonight, and we've drifted most down to Dolgeville Point.

They call that Dolgeville Point on account of it was settled mostly by Dolgeville folk. Bill Spoar, Julius Breckwoldt, Frerdrickson, and Drums, these two didn't hail from Dolgeville. Then there was Irv McGuire, Will Faville, Ed Sliter, and H.I. Patrie. All of these has changed hands now, the only two which is still in the family is Breckwoldts and Sliters. The original Sliter cottage burned down and Skeet rebuilt right there where the first one was. Skeet and Marie, they run the Canada Lake store now. And Beckwoldts grand daughter, Mrs. Edwin Vosburgh and her husband spend summers at the Breckwoldt cottage. Patrie's house, sometimes when he gets to listenin' to Dury's he says he was lived in by a man that got to be a New York State Senator. Sometimes they gets to goin' pretty strong back and forth.

We'd best to get startin' back, and on the way we'll skirt along the Canada Lake south shore down by the old Fulton House and I'll show you some of the cottages that was built next. John Q. Adams, Tex Northrup, Al Saltsman, Tracy Cross, they all built about the same time. Then along there where the Fulton House Annex stood is Engels. After the Annex burned down Engels built, and they sorta built around the Annex fire place, puttin' the fire place in their livin' room.

Right over across the lake along that shore road, they call that Kasson Drive now after Mrs. Clay O'Dells brother, Bert Kasson, who was county engineer. Well the first cottage there was by Helen Bushbie, that's where the Clay O'Dells be now, and they say in one of those towers was a fire bell. Then where Brower's is was the second cottage on that road. Them cottages what is now where Willards, the Stanleys, and Smith is, there is a lot of talkin' there. Timbers in them houses claim fame in the sportin' world. These was built by Peck and Snyder. A while later Peck and Snyder merged with Spaulding Brothers sport manufacturers. You know them camps has been heard to say they ain't got no bats in their attics — they are all on the diamond.

But all them places is talkin' about what happened in 1906 — they had hardly got used to seein' them horseless carriages go by when up the road comes a feller ridin' a bicycle lickety split. But he wasn't doin' no pumpin', no sir he was just ridin', and 'twas Tony Beekman astride a motorcycle. Then along 'bout 1910 he built a cottage over on Green Lake. You know Tony's dad was a dickerin' for some land, right over there where Jack Ryans' cottage is now. Well that was owned

by the Mills family and after their daddy died the girls was goin' to sell to Tony's Dad that place and 5 lots there and 5 lots on Mud Lake all for \$1800.00, and then right there in the lawyers' office one daughter, she changed her mind and wouldn't sign off.

And then over on — say feel that flake of snow? I'd better stop talkin' and start paddlin' or we'll be caught in a snow squall. Looks like an early winter — long hard one too. Well, mebbe come spring we can get together again, and if things ain't just the way I told you, well, you let me know. I mighta misunderstood.

And on some of these cold, clear, winter nights with the moon a shinin' bright just listen — you may hear the talk of the house.

(My thanks to Tony Beekman, and Mrs. Clay O'dell)

ECHOS

Mr. & Mrs. William Roberts are happy to announce the engagement of their daughter, Norma, to Robert Karla, son of Mr. & Mrs. William Karla of Dolgeville. Miss Roberts teaches in New Hartford and her fiance teaches in Mohawk. A summer wedding is planned.

Kenny and Ruth Richmond of Green Lake spent three months at Lake Worth, Florida.

The Walter R. Kurgans' of Canada Lake and Whitesboro, N.Y. report that Todd Stormes, 5 years old, caught a 17½ in. Pickeral last summer in front of camp; and also that A1C Charles E. DeTraglia is in the Air Force at Hahn Base, Germany for 3 years. He will be sadly missed this year. Both are nephews of the Kurgans, and come to the "Little Swiss Chalet" each year.

Margaret Anne (Peggy) Short, daughter of Walt & Marg Short (West Lake) will graduate June 4 from Colorado State University at Fort Collins, Colo., where she majored in Psychology. At Christmas time Peggy became engaged to Donald L. Fenton, Jr., son of Ret. Lt. Col. and Mrs. D. L. Fenton of Arlington, Texas. Don is a student at the University of Texas and upon his graduation will receive a commission in the Marine Corps. Peggy will be working in Texas this summer.

The Kurt Klingbeils of Green Lake will go to Europe during July to visit relatives and places of interest there, as well as Switzerland and Italy. Kurt has arranged a month's pulpit

exchange with a Baptist pastor near Manchester, England, for the month of August. The two families will switch houses and churches. (Kurt is pastor of the First Baptist Church of Poughkeepsie, N.Y.) Their daughters Beth and Barbara will accompany them while Carol will attend a special summer session at Cornell University where she has been a freshman this year. Carol will be singing with the Cornell Glee Club and the Philadelphia Symphony Orchestra in August at the Saratoga Center for the Performing Arts. The Klingbeils will spend the Labor Day weekend at their cottage with the British exchange pastor and his family, who will return to England September 6.

Miss Denise K. Moore was a member of the February graduating class of the Albany Medical Center School of Nursing. Bronson E. Moore was a June graduate at Delhi State University Agriculture and Technical College. They are the daughter and son of Mr. and Mrs. Edgar Moore.

The Osborns are grateful to their many good friends who helped extinguish the fire which would surely have burned our camp to the ground last Fall except for their prompt response when the call for help went out. June is teaching second grade in Delray Beach this year. Mr. Osborn is purchasing agent at Florida Atlantic University. Their three children are attending the new Alexander D. Henderson University School at Boca Raton.

Mr. and Mrs. George P. Hansen attended the United Fence Industry Exposition in New Orleans this past January, representing Anchor Post Products in this area. They were accompanied by their son and daughter-in-law, Tom and Linda Hansen. Tom graduated from New England College last June and has been working at Blue Cross-Blue Shield in Concord, N.H. as an Assistant Manager in their Medicare Division. As of April 1st, however, he and Linda have become residents of New York State and Tom has joined his father in the fence business.

Mr. Louis Nehr has retired, after 45 years as a Chevrolet dealer. When he and Mrs. Nehr return from a National Automobile Dealers Association European Tour, they expect to spend all summer at Canada Lake.

Esther and Bill Dunstan had a busy winter travelling. They spent two months in Florida, one month in Mexico and the Southwest, two months in Hawaii and a fifteen-day tour of Japan, Taiwan, Manila and Hong Kong. They are now resting at Green Lake.

George Rohrs, Jr. and Judy (Rohrs) Donnelly saw Guy Farina at the Giants-Baltimore Colts game in N.Y. last Fall. Chris Rohrs spent 3 days of his Christmas vacation at Canada Lake. His Spring vacation (from Notre Dame) was at Ft. Lauderdale, Fla.

Jeanne (Mrs. George Rohrs, Sr.) fractured her elbow while ice skating in January and was at Roosevelt Hospital for 2 weeks after an operation. Now she worries about her golf swing!

Lyn Livingston, Gloversville, and Dan Yuenger were married Dec. 14, 1968 and are now living in the Conlin House next to Edgar Moore. Dan has a panel truck and is still doing tree service work. If you see 2 Labrador Retrievers and a beagle, they belong to the Dan Yuengers. His mother and father "dog sat" while the youngsters spent a week in St. Thomas with her mother and father at Easter vacation time.

Arthur D. Tevebaugh has been made an Associate Manager of the Chemical Engineering Division of the Argonne National Laboratory, Argonne, Ill.

Joyce Tevebaugh passed her oral prelims in Chemistry at the University of California in Berkeley. She is now doing research toward her Ph.D. degree.

Mrs. Jean Tevebaugh Ehmsen is writing and editing copy for weddings for the St. Louis Post Dispatch, St. Louis, Mo.

The Ballards took a three week tour down Florida way, spent some time with Sliters and saw the elephant.

Mrs. Marie Engel, long time summer camper of the South Shore, passed away at her home in Little Falls on Feb. 22, 1969 at the age of 99 - just one month short of her 100th birthday.

Jack Pawlows, son of Louise and Ed Pawlows, has been on duty with the U.S. Navy in the Caribbean all winter. He is expected home sometime in April. He is engaged to be married, but no date has been set for the wedding as yet.

Miriam E. Feldstein, daughter of Dr. and Mrs. Bernard Feldstein, South Shore Canada Lake, was graduated June 1 with a B.A. degree from Utica College of Syracuse University. On June 26th she was married to Curtis A. Case, also of Utica College. They are spending their honeymoon on a cruise in the Caribbean.

The Schreivogls' report that their daughter, Kathy, is a medical technician at Nathan Littauer and goes to F.M.C.C. a couple of nights a week for art courses.

Cdr. William Place is on his second tour of duty on "Ticonderoga" as Weapons Officer, out on the line, in Gulf of Tonkin.

From Douglas and Helen Hays: Our news this spring is that we have become increasingly aware of Federal and State efforts to prevent air and water pollution. At Canada Lake we pay to have poison showered on us from the air, poison that washes into the wells and damages us and the wild creatures. The spraying, as we understand it, is done to extend the season. To us, this seems like killing the goose that laid the golden egg.

John E. Berry, Jr., son of Mr. and Mrs. John E. Berry, 11 South Lake Avenue, Albany, and Canada Lake, will be married this summer to Miss Jane-Anne Nowtynski, daughter of Mr. and Mrs. Joseph Nowtynski of Shelburne, Vt. The elder Mr. Berry is executive director of the 19,000-member New York State Bar Association.

A bit of news from Vincent and Mabel Kane. - Michael has spent the year in Nassau in the Bahamas as a director of the Worldwide Financial Corporation. He returns to his Washington law firm in June and hopes to get to Canada Lake for a visit this summer. Bill was married in October to Barbara Hartzell of Bethlehem, Pa., and is located in Boston, working for Vermont Mutual Life Insurance Company. Barbara finishes her freshman year at Wellesley College and expects to spend the summer at the University of Barcelona in Spain.

Neale and Dick Parkhurst write: Grandson Alexander arrived September morn (Sept. 1) to Mike and Sue.

Grandson David arrived Christmas day to Pete and Barbara.

Daughter Priscilla and hubby, Terry Clark, published a book together about a French Sociologist.

Mike and Sue took a new job with U. of Rochester.

Neale and I enjoyed Captiva Island during late winter and early spring, where we keep a sign saying "Canada Lake South" to the amusement of all.

A note from Barbara Patterson: Since last summer the Pattersons had a wild visit to Tobago in February. We had great fun in January entertaining boat show-goers, we hope thereby contributing to decision on new sail boat class.

We'll be at lake for a few days in late June, but we're taking children to France and Italy and on a 2 week cruise of Greek Islands, sailing on a racing yacht in July.

We'll be back at lake for whole month of August.

A note from Marie and Skeet Sliter - written from their new home at Mt. Dora, Fla.: Bernie Auerback and Margaret were here in Florida for 10 days. They are in Lincoln, Neb. and itching to get back to the lake. Bernie has been ill most of the winter.

Here are some of our visitors this winter: Phoebe and Tod Ballard; Peg and Len Hidde; Varnum and Anne Harris; Fred and Helen LaBrake (who used to have a camp at the lake, now it's Lozier's); Conrad Leslie and family (Mrs. Leslie is Mrs. Victor Adams daughter); Mr. and Mrs. Wm. Rice (used to have a camp on West Lake, now live here in Mt. Dora); A. J. Mosher (had a camp in "Colored" Bay that burned several years ago); Mr. and Mrs. Ray Kilborn (had a camp on Diville Point); Bill and Bob Wilbur, Jr. (Bob lives in Wildwood, Fla.); Eleanor and Bob Wilbur, Sr.

We've had a wonderful winter, hate to leave, but will be glad to see the lake and all our friends.

Joyce Hays writes: We missed seeing so many friends last summer because we rented an apartment in London for eight weeks and split our time between that favorite foreign city and Cambridge University. We will be coming up to the Lake just for weekends this summer because I will be going to summer school at Columbia and because we plan to take our big vacation in September when we will go to Paris and then to Greece.

Ed Vosburg writes: We are looking forward to returning to Canada Lake this summer. The most important news to us is that our daughter, Diane, of Seattle, Washington, hopes to make us grandparents in September. We plan to be there for the big event.

Margaret Stanley (widow of Jim Stanley, long time Lake resident) is spending about 4 weeks in California this spring visiting her son.
