REMEMBER WHEN?

A FAVORITE old-time summer activity was a boat ride around Canada Lake. This photo, taken in August 1929, shows the boat at its dock awaiting passengers to board. (Photos courtesy of Doris Case, Johnstown)

RACCOONPROOF GARBAGE

A serious outbreak of rabies in several parts of the country makes it even more important than ever to avoid encounters with wildlife. One way to do this, suggests the Humane Society of the United States, is to keep raccoons out of garbage. If you can't keep your trash inside the garage until pickup time, try hanging mothballs from the trash-can handles or putting a rag dampened with ammonia in the bottom of the can.

IN MEMORIAM

During the past year we learned with deep sorrow the death of:

Marie Sliter

PRESIDENT'S MESSAGE

Except during the summer months, by necessity, the visits of most of us to the lake are brief. Nevertheless, some memorable days can be recalled from such visits — catching the foilage near peak color in October, or skiing across the lake with friends in February. We experienced such a day near the end of April when Undine and I took advantage of the high water and warm sunshine to try to paddle our canoe from Canada Lake to Negro Lake. That we were stopped finally by a 3 foot waterfall didn't diminish the pleasure of the day.

Your Board of Directors will be meeting earlier than usual this year to begin planning our 1983 activities. The acid rain situation will continue to be a primary concern. The inaction on this issue nationally obliges us to think about and to plan actions to reduce the effects of continued acid deposition in and around our lakes. We need your thoughts and your involvement for the CLPA to be an effective organization.

May your summer be filled with memorable days.

Howard Fiedler, Pres., CLPA

ECHOES

From the W. Arnold Petrie Family . . .

Mrs. Arnold Petrie spent part of the winter in Florida and will return to the lake in June. Jane has acted and sung in three professional musicals this year and Tony is busy with plans for his third retail store to be located in Burlington, Vt. Fifteen year old Parker achieved academic honors his freshman year and was lead saxophone in the band and played on the tennis and soccer teams. Hilary and Tori are looking forward to returning to the lake and are keeping busy with their dancing, music lessons and riding their horses.

From the Norris Osborne Family . . .

Kip Osborne is to be married to Katie Lyon on August 6th in Vero Beach Fla. Minott is Front Desk Mgr. at the L.A. Hyatt. In May, June and Bud will take a 3 week tour through Sweden & Finland — then a week's walking tour through the midlands of England. They expect to be at the Lake in mid-June.

From Barbara and Doug Leaf . . .

We are first-time grandparents! Mark and Cindy Leaf Riess are the parents of Christina Elisabeth, born February 3, 1983, in

Schaumburg, Ill., where Cindy and Mark have lived since his Mobil Oil Co. transfer last July. We flew out to welcome Christina and now anxiously await her first visit to Canada Lake this summer!

Dee-Dee has a fine job with Royal Insurance Co. in the Wall St. area of New York City. She recently moved into her own studio apartment on E. 83rd St. and surely loves being part of the excitement of the Big Apple. We'll look forward to having her with us at the lake on weekends.

Doug and I had a wonderful vacation at the Buccaneer on St. Croix in March. And now we count the days 'til we see you all again at our beautiful lake!

Fink — Kerr News . . .

Ruth and Don returned from a trip to Greece & England in time to put in the docks Memorial Day with our "crew". We are hoping to put a nice lake view dormer on our camp in time for a 4th of July visit from Nancy & twin daughters, plus, Dave, Sue, Bryan, Chris, Fred and Rick. The latter are planning another Un - matched Holiday (fireworks) display! Nancy is making a special trip east in her role as our house interior decorator as we have been challenged in O.H. decorating by 2 unnamed south shore families. We are ready!

News from Henry and Louise Steuber . . .

Our granddaughter, Michele Castilloux was married September 11 to Clayton Dirkson who is also enthusiastic about Canada Lake. They live at Lake Hopatcong, N.J.

Also we (Henry and Louise) are flying to Bergen, Norway and taking a cruise to the fiords of Norway and then will have a few days in Copenhagen, Denmark, but we'll be at Canada Lake most of the summer with children and grandchildren.

Notes from Midge Akers . . .

Jimbo Akers enjoyed a flight, and a 2 week trip to Tucson this winter to see Scott Brown, and Margey Mahoney Family. And also to Calif. to see Bro. Mike, and brought back many nice photos and souvenirs.

Midge Akers also mentioned there were be a reunion of all people in residence on the South Shore during the 1930's. More details later — For further information contact — Mrs. Margie G. Akers, 49 Otsego St., Canajoharie, NY 13317.

WATER SAFETY REMINDER

All Boats must have Running Lights when operating after sunset.

CANADA LAKE SAILING CLUB NOTES FROM 1982

Third Annual Sunfish/Super Sunfish Regatta Held

The Third Annual Canada Lake Regatta was held on Sunday, August 15th. Ten boats participated in a total of seven races. Typical of a days sailing at Canada Lake, the winds were viable. The regatta was sponsored by the Canada Lake Sailing Club and the Canada Lake Store and Marina. Both the cookout after the races and the trophies were provided by Bill and Dorothy Fielding.

Jeff Theisen was first in the Sunfish series and Midge Akers was second. Courtney Young, Jr. won the Super Sunfish series, Greg Young was second, Jim Crink of Darien Yacht Racing Association was third and Dick Loomis finished fourth. The other participants were Nancy Long, Geoffrey Clifford, Courtney Young, Sr. and Dorothea Loomis.

Brown Trophy Awarded In Memory of Monty Mason

This trophy, presented annually at the CLPA meeting in July, is a gift of Beverly and David Hoffman in memory of their friends Bob Brown and Brad Dean. It is awarded by the Canada Lake Sailing Club to an adult who "has contributed to the smooth running of the Club" as represented by Brad Dean and/or "has given of himself unselfishly and enriched the lives of those in the sailing club by his own sportmanship and good will" as represented by Bob Brown. The trophy was awarded to the memory of Monty Mason in 1982.

Bogart Trophy Awarded To Jeff Theisen

At the August Awards Party, Jeff Theisen received the Bogart Trophy. Determined by the CLSC Directors, the trophy is awarded to a member under sixteen who demonstrates good sportmanship and the most progress in sailing for the year. Fourteen year old Jeff sailed in ten races and accumulated a total of 11 1/4 points making him the BEST Sunfish sailor for the Summer Series. Besides winning the August Sunfish Series, he also won the first place Sunfish trophy in the Annual Regatta.

Ryan/Curran Trophy Awarded To Doug Leaf

The Olde Tymers Race is held annually for those over forty years old and starts and finishes at the Island. The Ryan/Curran Trophy was donated by Sandy and Steve Sheedy in memory of their friends Jack Ryan and Jean Curran who gave some much of themselves to the Canada Lake Sailing Club.

The Olde Tymers Race in 1982 was won by Doug Leaf. Dick Loomis was second and Midge Akers was third. Al White and Charlie Michaels also participated.

Congratulations Doug!!

Special Races Sailed in 1982

The Annual Team Races were held in July and two teams of four members each participated in a total of five races.

The North Shore Nomads (Dick Loomis, Nancy Long, Dorothea Loomis and Geoffrey Clifford) beat the Dolgeville Point Patsies (Greg Young, Courtney Young, Sr., Nancy Long and Bill Lanxer) by winning three of the five races.

The Fourth of July Race was sailed on July 4th for a change! Three races were sailed on a beautiful day. Paul Franz was first and Don White was second in the Sunfish and Court Young, Jr. was first and Greg Young was second in the Super Sunfish. Dave Fisher, Alan Fiedler, Anne Ireland, Dick Loomis, Brian Franz, Court Young, Sr. and Nancy Long also participated.

The Fun Race was held on August 1st. Dorothea Loomis was first and Bob Lawrence was second in the Sunfish. Paul Franz was first and Dick Loomis was second in the Super Sunfish. Brian Franz, Nancy Long, Geoffrey Clifford and Court Young, Sr. also sailed.

1982 Series Results

	July Series	August Series
Sunfish "A"	Nancy Young Dave Fisher	Midge Akers
Sunfish "B"	Parker Davis	Jeff Theisen Amanda Young
Super Sunfish	Court Young, Jr. Dick Loomis	Court Young, Jr. Greg Young Dorothea Loomis Dick Loomis

Chevron Awarded To Jeff Theisen

The 1982 Chevron for Sunfish Fleet #315 was awarded to Jeff Theisen for his continued good sailing throughout the Summer. This prize is awarded by AMF Alcort, the manufacturer of the Sunfish, to the best sailor in each fleet throughout the

world. Out of ten races, Jeff had seven firsts and three seconds. The second best sailor was Nancy Young with three firsts, four seconds and three thirds. Amanda Young, Parker Davis and Midge Akers followed closely behind.

Super Sunfish

Fleet Championship Awarded

AMF Alcort awarded the Super Sunfish Fleet Championship to Courtney Young, Jr. for 1982. The Championship Award is awarded to the sailor with the best score for ten races in the Summer Series. Courtney's score was 7 1/2 which represents ten firsts. Congratulations! Dick Loomis was second with 21 points and Greg Young was third with 25 1/2 points.

To The Directors and Members Of The Sailing Club

Thanks to all of the hard work and cooperation for the past two years. GOOD LUCK IN 1983!!

Nancy Young

CLSC — SUMMER '83

Welcome aboard to all you past, present and future CLSC members. It's the "past" and "future" members I'd like to direct this message to. We missed a lot of familiar on the race course last summer and I'd like to extend a specific invitation to all of you to join us again this year. We miss your support and particularly your camaraderie. And all of you who have considered sailing with us and haven't — THIS IS THE YEAR! We've got a great schedule of races, great parties planned, and best of all, a great bunch of people. So cast off your inhibitions (we were all beginners once) and join the fun.

We sail three divisions — Sunfish "B" for the beginner and novice sailors, Sunfish "A" for the more experienced "old salts," and Super Sunfish — a high performance version of the Sunfish equipped with racing sails and sail control gizmos to "go fast."

We sail July and August series consisting of 8 races each (2 per Sat.) and trophies (1st, 2nd and 3rd) are awarded in each division. Plus our annual special races — Fourth of July Race, Olde Tymers Race (40 is old?), and the infamous Team Races. And, we're introducing the exciting Relay Race sponsored by the Canada Lake Store and the CLCS and open to **everyone!** It will consist of four events — sailing, swimming, canoeing and running. Teams will consist of 3 to 5 people and you may double up in events (canoeing requires 2 participants per team, all other events — 1). Prizes will be given for 1st, 2nd and 3rd. And a cookout will be held at the Canada Lake Marina after the race. Entrance fees \$5.00 for adults and \$3.00 for kids under 12. Here's your chance to be a hero!

The Fourth Annual Sunfish/Super Sunfish Regatta will run in conjunction with the Pot Luck Dinner/July Awards Ceremony. Invite your friends from other sailing clubs. Check in at the Canada Lake Marina at 10 AM, entrance fee \$5.00 (this includes a "floating lunch" compliments of the Canada Lake Store).

The CLCS general membership dues per boat are \$5.00. We are instituting a new Associate Membership this year for non-sailing members of \$3.00. This entitles you to participate in all of our social activities. We would also sincerely appreciate any donations to our club to cover the expense of greatly needed new (and visible) racing buoys, anchors and rope; trophies; new race course signs; gas Safety Boats; and

recompense for the new Starting Dock Person. (This means you will no longer be contacted to sit on the dock to start races!) Please support the CLCS — our membership and treasury have decreased but our budget has kept up with inflation.

So if you want to join the CLCS or have any questions about the club, please come to our General Membership Meeting at the "other" McMartin camp, 10 AM, Sat. July 2. All your questions will be answered, including "What is the secret of living?" No, I won't make you wait, I'll tell you now. The secret of living is **participation**. Give it a try! See you July 2nd.

Dick Loomis, CLCS President

CANADA LAKE STORE NEWS

We experienced another unusual winter this year — no snow sculpturing, no roof shoveling, and very little snow plowing. However, when the ice was thick enough for ice skating on Canada Lake, the Fielding family enjoyed the smooth conditions.

One bright sunny day we even saw fish swimming under the clear ice.

In spite of the unseasoned weather we've had out activities centered on summer preparations.

Bill went to the Chicago Boat Show last fall and found a top quality fiberglass boat line called Four Winns to round out his Marine business. He also has Crest Pontoon boats, Alcort sailboats and Blue Fin aluminum boats on display along with his Mercury outboard motors. We are fortunate to have Jack Holliday working for Bill in both the marine and camp maintenance business all year round.

Also we are very pleased that Jackie Kelly, Lisa Kochheiser, Bruce McLelland, Cindy McLelland and Mary Ann Silvernail will be returning to their summer jobs at the store again this year. We have added a larger freezer to the store to increase frozen food sales and discovered some lovely new gift items for our gift shop.

June 11th is the opening date for the postal services to resume at the contract station here at Canada Lake. Your fine support has kept this postal unit in operation.

We are looking forward to greeting you again as you return to vacation at Canada Lake and wish all of you a very enjoyable summer season.

*Invest in Caroga's Future by
Taking a Step into the Past*

If you are wondering what all the activity is that is going on at "The Homestead" on London Bridge Road this summer — stop by and see a 123 year old pegged barn being rebuilt by local volunteers.

This barn has an unique background of having been originally built on the Rhinehart Farm in Blecker - then dismantled and rebuilt on the Stock Farm on Martha Kunkel Road in Caroga and later used by area Girl Scouts until the site was closed.

In November 1982 the Girl Scout Camp Kowaunkami Corp. donated the barn to the

Caroga Historical Association and Museum. And again it will be systematically dismantled and rebuilt at "The Homestead" to continue its useful life as the main Museum building housing large artifacts among other Caroga area historical collections.

Mr. Wallace Crispin is volunteering his expertise to this project. If you are interested in volunteering your services to this endeavor or providing much needed funds please contact Mary Tasheff, London Bridge Road, Phone 835-2765.

Lowell wrote this on Dolgeville Point last May when the Pinksters were very beautiful.

There might be others on the lake who'd appreciate a 'Pinkster Poem'.

**He's been living summers at the Lake since 1964,
Diane Vosburgh Halverson**

PINKSTERS

*The meadow though small abounded with the scene
of mingled blossoms*

*Some deep rich with dying blooms
Whose intense smells like gardenias turn brown
at the height of their fragrance*

*Thus signalling a return to the earth
Even as their scent reached zenith.*

*Others held less present promise
Budding still in the cool nights,*

*Yet even they held forth somewhat, on sunny
days joining in the odorous cacophony of
this little meadow, bandstanding by
afternoon, closing toward dusk and silent
through twilight.*

*Not so the pinksters who danced night and day,
Riotous through each sun's turn not stilled
by moonlight's color beams nor
rain's light torments*

*Ever wafting fuller with joy
From surviving again winter's cold scythe path
across the meadow.*

*Til their pink fragrance covered the meadow's
low sky to its heaven peak.*

*Rarely mingling rather overcoming all more timid
wild flowers by their joyous spring march
toward sun moon and rain.*

*Then spent by unconserved exuberance each bush
peaked and nodded toward a deeper shade
of greening.*

*Giving up the pinking for more serious work at
hand while the less wondrous flowers*

*Took deeper root and began the lighter
summer symphony.*

*And so the meadow flowered through summer's
lazy days*

While pinksters rested, drawing strength,

*Content to be the meadow's backdrop until spring
would call again these sprights to dazzle
and dance away winter's fastings.*

Lowell K. Halverson
